Rate

Lessons cost £24 per hour. Block booking deal: £200 for 10 lessons paid for in advance (£40 discount.) I ask that a reasonable effort is made to book the lessons in succession. I know it's not always possible to make the lesson every time so it's fine to reschedule or skip a lesson occasionally given reasonable notice. However, if all 10 lessons are not used within 15 weeks I reserve the right to expire the block booking at my discretion (Multiply accordingly if fortnightly lessons are arranged.)

Gift Vouchers

Gift vouchers are available in any multiples of lessons at the same rate including block booking discounts. Gift vouchers are non-refundable and do not have an expiry date, although may be expired at my discretion in extreme cases e.g. if not redeemed within 6 months or more and I become fully booked or otherwise engaged and simply can't fit the lessons in.

Cancellation Policy

I will make every effort to reschedule (or cancel if necessary) any lesson you can't make to another time in the week. The more notice you give, the easier it will be to do. I require a minimum of **24 hours notice by phone**. Please don't cancel by email close to the lesson date as I may not see it in time. If you fail to meet this minimum you will be liable to pay for the lesson in full.

Equipment

I am able to loan out an electric or acoustic guitar and amplifier during the lessons at no additional cost. However, I do not recommend this as a long term solution as students need their own guitar to practice regularly at home to get the most out of having lessons.
